This isn't like applying for a job. We make this step informative, easy and stress free. We need to get an understanding of what you are striving to achieve; why, what, how and when.

Let us do the ground work and narrow our 40 lenders down to the 3 best options suited to your requirements.

Once you select your preferred lender, we collect the necessary information to get a better understanding of your financial situation.

Let's determine a budget to allow you to purchase the vehicle of your dreams.

The fun part, although can be overwhelming with the amount of choice and unnecessary sales pressure. Do not worry, we assist, mentor and coach you through the vehicle sales process to ensure you are getting the best deal possible. Also, if you have narrowed down your choices, we can deal on your behalf, so you can concentrate on your busy schedule.

Decided on the vehicle? We gather all the relevant documentation including a Tax Invoice to ensure everything checks out with the lender. You can now formalise your vehicle purchase.

Documents are generated by the lender, and we book a convenient, time and location for sign-up. We can come to you, or meet at our private location.

Upon settlement, we advise you and the dealer to ensure a smooth transition to delivery of your new vehicle. Dealerships want cleared funds, this can take 24-48 hours depending on the banks.

We want to ensure you are 100% happy with our service and products as we consider you a friend and new member of our growing BrokerBros "family". We are here to help throughout your entire journey.

If you are happy with our services, the biggest compliment is a referral. We ask you to introduce family or friends to our circle.
